

www.painsocietyofalberta.org

The Pain Society of Alberta would like to welcome you to its membership. We are a multidisciplinary society of health care professionals dedicated to the advancement of pain management in the province of Alberta.

The benefits of membership include:

- Networking with like-minded professionals through our website and at the annual conference
- Access to members-only information on our website
- Your profile added to the PSA website for the public to view and access
- Newsletters distributed by email at various times throughout the year, with information pertinent to your pain management practice.

Membership is offered **at no cost** to professionals that have attended a pain management course, lecture or seminar.

If you choose to take advantage of this opportunity, please complete the information below and return to your course instructor or fax to 780-475-7968

Name	
Practice/Clinic Name	
Practice Address	
Practice Phone
